

2026 Price Guide

Khanna Vision Institute · Beverly Hills & Westlake Village · (310) 482-1240

Procedure prices

PROCEDURE	PRICE	MONTHLY, 24 MONTHS*	FIRST VISIT
LASIK	\$2,250 to \$2,900 per eye, depending on technology	About \$99 per eye per month	Free consultation
SMILE	Pricing is provided at your consultation	\$135 per month for 24 months	Free consultation
SMILE Pro	Confirmed at your consultation	\$150 per eye per month for 24 months	Free consultation
PIE (presbyopic lens implant)	\$6,900 with insurance to \$8,900 cash, per eye	Discussed at consultation	Free consultation
Pterygium surgery	\$4,200 per eye (cash)	\$175 per eye per month	Free video consultation
EVO ICL	Pricing is provided at your consultation	Available with approved financing	Free consultation
PRK / surface laser (ASA)	Pricing is provided at your consultation	Available with approved financing	Confirm visit type when you book
CTAK (keratoconus)	Pricing is provided at your exam	—	Insurance or cash exam
Epioxa (epi-on cross-linking)	Insurance approval required; no cash price	—	Insurance or cash exam
Robotic laser cataract surgery	Pricing is provided at your consultation; PPO medical insurance can apply	—	Cataract evaluation exam

*Monthly amounts are for qualified applicants through Alphaeon Credit or CareCredit. Approval, APR, and terms are set by the lender, not by Khanna Vision Institute. FDA epi-off cross-linking is no longer our first choice: we submit for Epioxa insurance approval first; if denied, in urgent cases Glaukos may supply Photrexa. No cash or monthly price for Epioxa.

Every LASIK, SMILE, SMILE Pro, PIE, and pterygium price includes:

- All exams
- Measurements
- Surgeon's fees
- Anesthetist's fees
- Implant fees (where applicable)
- 24 months of follow-up
- All fine-tunings and enhancements
- Dry eye cure
- YAG (where applicable)
- The drops needed for surgery

Pterygium surgery also includes your follow-ups and dry eye cure, including Halo treatments. Implant fees and YAG apply where applicable.

Consultations and exams

- **Free consultation** for LASIK, SMILE, SMILE Pro, EVO ICL, and PIE. Surgery-focused; it does not include take-home reports.
- **Full new-patient exam: \$395.** Fundus exam, OCT of the macula, pachymetry, and corneal topography, plus a workup of your main concern.
- **Pterygium:** free video consultation.
- **Keratoconus (CTAK, Epioxa):** no free consultation; insurance or cash exam.

Insurance

We accept PPO plans. We do not accept HMO plans or Medi-Cal. Vision insurance usually covers glasses and contacts, not elective surgery. Medical insurance can apply to cataract surgery and to some pterygium cases when medically necessary. Bring both your medical and vision cards; we will tell you which, if either, applies.

Paying over time

- Pre-qualify with Alphaeon Credit or CareCredit using a soft check that does not affect your credit score.
- 0% APR promotions up to 24 months for qualified applicants. A hard inquiry may occur only if you accept an offer.
- HSA and FSA funds and tax refunds can be combined with a payment plan.

Our offices

Beverly Hills

9100 Wilshire Blvd, Suite 265E
Beverly Hills, CA 90212
(310) 482-1240
